- demonstrate an excellent craft in the field of contemporary music,
- demonstrate the ability to independently create and realize his/her own artistic ideas,
- demonstrate the ability to account for his/her work in an international con-text with regard to contemporary music and society,
- demonstrate the ability to cooperate with artists in music and other artistic disciplines,
- demonstrate the ability to judge his/her work with regard to artistic, ethical and societal aspects.

## Content

---

The Independent Project (Masters Degree Project) covers all semesters in the joint Masters programme. At the end of each semester, there is a part examination, where the student is given time to reflect upon the project.

The Independent Project (Masters Degree Project) meets the intentions of the joint Masters programme as the project is aiming for a group process. However, the assessment is individual and divided as described above.

### **Literature and Other Teaching Aids**

---

Is determined by the teacher in collaboration with the student.

### **Entry Requirements**

---

Admitted to the joint Masters programme CoPeCo at KMH.

### **Examination**

---

Progress through the course is evaluated at three review stages and a final examination. At the three review stages, clear, documented progress in the independent project shall be demonstrated. At the fourth and final stage, an independent artistic work shall be realized and a written reflection over the work consisting of at least 5000 words.

### **Grades**

---

Pass, Fail.
